

FEELING  
\*gratitude\*  
AND NOT  
SHARING  
IT  
IS LIKE  
\*wrapping a\*  
\*present\*  
AND NOT  
GIVING  
IT.

*At The Guelph Community Foundation,  
we are so thankful to our fundholders  
and supporters. Through your  
generosity and philanthropic passion,  
we were able to give back to our  
community in 2015 to:*

**enable**

children to go to camp

**award**

scholarships and bursaries to  
disadvantaged students

**support**

music, art & culture

**invest**

in children & youth at risk

**assist**

community & social services

**fund**

for health & wellness programs

**aid**

animal welfare & environmental  
stewardship programs

*May the spirit of your generosity find  
its way back to you in a way that brings  
joy to you and your family this  
holiday season.*
